Menu

At "Die Roosterkoek" we value the importance food plays in our daily lives.

That is why we strive to make food fun, tasty, filling & special.

We are all about culture and diversity here at ArendsRus. Our menu is a combination of various cultures joined together to form a traditional yet interesting selection of dishes, true to South Africa and her diversity.

Sit back, relax and enjoy the beautiful view of the majestic Outeniqua mountains. Breathe in the fresh air the farm has to offer.

"You can't just eat good food. You've got to talk about it too. And you've got to talk about it to somebody who understands that kind of food."

Kurt Vonnegut, Jailbird
